And the Winners are...

Mrs. Colorado, the Women in Need Foundation, and ... her Dentist?

In last month's issue of Las Vegas Life, we did a feature about the newly crowned Mrs. Colorado Globe, Janelle Spahn, and how she was off to the 10th annual Mrs. USA Globe pageant, held in Rancho Mirage, California. She was showcasing a beautiful Smile Makeover by Dr. Saeid Mohtashami of All Bright Dental in Las Vegas. Well, Janelle came home with a prize for "Best Smile"! Both the contestant and the dentist are elated to say the least.

In case you missed our story, Janelle had just won Mrs. Colorado with her already radiant smile, but one of her prizes for winning was a smile makeover from MicroDental Laboratories (makers of MAC Veneers™), by one of their top docs.

Dr. Saeid Mohtashami of All Bright Dental volunteered because as good as her smile was...he saw the potential to make it great. "When I saw Janelle's Mrs. Colorado contestant

photos," said Dr. Mohtashami, "my first thought was that she has such a beautiful face and she would look terrific with a smile that compliments her features."

After meeting Dr. Mohtashami for the first time, she knew she had the perfect dentist. He was very polite and answered all of her questions thoroughly. Over three visits, the doctor would transform a pretty good smile into a fantastic smile. "He replaced my four old veneers and added six more across the upper teeth in my smile zone," said Janelle. "I can't believe the improvement. My friends and family have been astounded!"

"Winning Best Smile in this pageant is a real testament to Dr. Mohtashami's gift. He has an incredible talent for evaluating a client's facial features, the condition and structure of their current smile and turning it into a natural looking fantastic smile. You can see it when you look through his many 'before' and 'after' photos. He truly is an artist."

Dr. Mohtashami is a little more modest about his talent. He says, "I absolutely love what I do. My team and I revel in the work we are privileged to perform. We cater to the clients' desires every day and we help them improve their smiles. When they leave the office after a smile makeover, they

are always beaming with pride."

He continues, "I got involved with the Mrs. Globe pageant because they are all about healthy radiant smiles, taking care of oneself and doing good in the world. The Mrs. Globe pageant, which promotes cultural awareness and charitable acts through beauty and competition, is the primary fundraiser for WIN: the Women In Need Foundation. The foundation helps abused and abandoned women and children worldwide. It is indeed one of the most important charities I personally contribute to. In fact our office does complimentary teeth whitening for donations to WIN."

Dr. Saeid Mohtashami attends the prestigious Las Vegas Institute for Advanced Dental Studies regularly to update his cosmetic dentistry training and advance his practice. He has the training, the experience and uses only the best materials he can find for his clients. He proudly offers MAC

Veneers, the highest quality veneers available.

Janelle's pageant future is looking as bright as her new smile. She is sure to win more awards and crowns with her beautiful features and exuberant personality. All Bright Dental appreciates her trust to improve a pageant beauty's smile and we wish her the best!

Dr. Saeid Mohtashami has a team of great people to serve you. They deliver personalized care to their clients, utilizing the newest technology to deliver the highest quality. They take tremendous pride in how natural their work looks.
